

# POST-SURGICAL ORTHOPEDIC REHABILITATION SERVICES

RECOVER ■ REJUVENATE ■ REVITALIZE ■ RETURN HOME

## MEDILODGE OF MONTROSE

MediLodge of Montrose has taken a new approach in providing comprehensive rehabilitative services to patients experiencing total joint replacement surgery. We are excited to introduce our rehabilitation program to you. Whether you're in need of physical, occupational or speech therapy as an inpatient or out-patient let MediLodge be your haven for healing!

Our team of professionals works closely with each patient to **promote wellness, patient and family education and encourage achievement of rehabilitation goals.** Patients are typically admitted to our lodge from the hospital within a few days following their surgery.

*"I really enjoyed my experience at MediLodge of Montrose. I felt comfortable with everyone, and would not go anywhere else to rehabilitate."*

Gisela Nowak ■ *Flint, Michigan*

**Our rehabilitation team will carefully develop a plan for your post-operative rehabilitation care.** This means that your orthopedic surgeon, physical and occupational therapists, nurses, social workers, nutritionists and representatives from our wellness lodge all work together to provide you with **quality post-operative rehabilitative care.**

Please call to schedule a pre-op visit to our lodge today! This is a free visit which we offer prior to admission. Your visit will include:

- Tour our wellness lodge and rehabilitation gyms
- Meet our Care and Rehabilitation Teams to discuss your exercise program and rehabilitation goals
- Complete pre-admission paperwork which helps ensure a smooth transition to our wellness center
- Begin discharge planning prior to admission

We will be happy to meet with you and review our services!
